CAREER OBJECTIVE

- I'm a passionate learner in digital marketing, always excited to try new tools. Currently exploring SEO, social media, content, and analytics. I enjoy creating content that connects and performs well. I understand the basics of prompt engineering and using ChatGPT smartly. I believe in learning by doing and improving with every project. Looking for a company where I can grow, contribute, and get real experience. My goal is to become a skilled digital marketing expert with strong AI skills.
